

Products

WESCO has brought together three premier companies in Canada; Trydor Industries, Brews Supply and LaPrairie, to offer the broadest range of products and services to the Canadian Utility market.

Depending on your location, we have utility experts ready to answer your questions and utilizing WESCO's distribution network and warehousing facilities, provide the logistics management required in today's market.

So no matter the size of your company, WESCO Utilities Canada serves customers on both the national and local levels with the best selection of utility products.

Transmission & Distribution Powerlines

- Aerial markers
- Aerial spacers & dampers
- Ampacts
- Anchor systems
- Arrestors & cutouts
- Composite crossarms
- Composite poles
- Data hardware
- Disconnect switches
- Grips
- Ground fault indicators
- Grounding connectors
- Guy guards
- Guy strains & insulators
- Insulators
- Mounting brackets
- Pole cable markers & tags
- Pole line hardware
- Pole mounted transformers
- Splice kits & terminators
- Utility poles
- Wire & cable
- Wooden pole & crossarms

Underground

- Copper clad steel cable
- Deadbreak connectors
- Fault indicators
- Fault interrupters
- Grounding material
- HDPE
- Loadbreak connectors
- Pvc conduit & DB2
- Splice kits & terminators
- Switchgear
- Transformers
- Underground connectors
- Urd connectors

Substation

- Anchor systems
- Arrestors & cutouts
- Bus bar & pipe
- Cable tray
- Copper clad steel cable
- Deadbreak connectors
- Disconnect switches
- E-houses
- Fault interrupters
- Grounding material
- Insulators
- Loadbreak connectors
- Mounting brackets
- Pedestals & pad mounts
- Reclosers
- Splice kits & terminators
- substation connectors
- Switchgear
- Transformers

Tools & Accessories

- Arc flash protection
- Banding & banding tools
- Bucket accessories
- Cable cutters & line tools
- Cable pulling equipment
- Compression tools
- Fuselinks
- Hot sticks
- Hydraulic tools
- Jumping equipment
- Personal protective equipment
- Pole climbing equipment
- Protective insulating equipment
- Tool bags, belts & pouches
- Testers, detectors & indicators
- Temporary grounding kits

...and much more!

Featured Vendors

3M

- Terminations & splices
- Tapes

Almetek

- Pole tags & cable markers
- Hazard Signs

Burndy

- Compression tools
- Grounding materials & connectors
- Substation connectors
- Cable cutters

Cooper Power Systems (Eaton)

- Switchgear
- Transformers
- Loadbreaks & deadbreaks
- Reclosers and arresters

Erico

- Copper clad steel cable
- Grounding rods & accessories
- Cadweld welding material

Gamma

- Insulators

Geotek (PUPI)

- Pupi composite crossarms
- Mounting brackets

Hastings

- Hot line tools and equipment
- Test instruments
- Protective insulating equipment

Hendrix

- Aerial spacer cable systems
- Polyethylene pin insulators
- Insulated overhead conductors

Horstmann

- Fault circuit indicators

Hughes Brothers

- Pole line hardware

IlSCO

- Grounding materials & connectors

LAPP

- Insulators

MacLean Power Systems

- Pole line hardware
- Insulators
- Arresters & cutouts
- Anchoring systems

MacLean Senior Industries

- Outdoor data hardware

NGK

- Insulators

Pascor

- High Voltage disconnect switches & motor operators

Patton & Cooke

- Substation connectors

Payer

- Grips
- Formed wire products
- Preformed conductor ties
- Armour & line guards

Preformed Line Products

- Grips
- Formed wire products
- Preformed conductor ties
- Armour & line guards

S&C Electric Company

- Overhead disconnect & bypass switches
- Fusible cutouts

Sadtem

- CT, PT, Revenue Transformers

Salisbury

- Live line tools
- Rubber gloves & insulating equipment
- Arc flash protective equipment

Sefcor

- Substation connectors

Tana

- Aerial marker spheres

Thomas & Betts

- Cable tray
- Carlon pvc conduit & HDPE
- Elastimold loadbreak & deadbreak connectors

Trydor Industries

- Temporary grounding sets; Manufacture, testing & Alberta certification

TE Connectivity (Tyco)

- Heat shrink & cold shrink
- Terminations & splices
- Ampact connectors & tools
